A Mission of Cannon United Methodist Church

Rev. Tim Emmett, Senior Pastor

Rev. Dr. Skip Johnson, Associate Pastor

Sherrye Beebe, Interim Director of Preschool

Heather Gallagher, Interim Assistant Director of Preschool

Kimberly Goodyear, Administrative Assistant to Weekday Schools

MISSION STATEMENT

Cannon Church Preschool provides developmentally appropriate learning experiences that teach each child how to learn in a loving, safe, Christian environment.

PROGRAM DESCRIPTION

Due to COVID-19: Cannon Preschool will be offering classes for 2's, 3's and 4's for the 2020-2021 school year. All classes attend M-TH and are here from 9-1.

M-TH The Preschool at Cannon United Methodist Church is a nonprofit organization offering a half-day weekday educational program for children one to five years old. **Our program is certified as a Preschool of Excellence by the North Georgia United Methodist Preschool Association.** It is a vital ministry of the total church program to Cannon's children and to children in the surrounding community. **We hold an exemption from being licensed by the State of Georgia.**

We offer an excellent preschool education, balanced through creative play, exploration, and discovery.

We emphasize developmentally appropriate skill-building.

We wish each child maximum success in emotional, physical, cognitive, and spiritual dimensions.

We want children to leave Cannon Church Preschool with a good image socially, emotionally, physically, intellectually, and spiritually.

GOALS AND OBJECTIVES

We work with parents to--

- ◆ Nurture positive self-image
- ◆ Provide a Christian atmosphere which promotes respect for self and others
- ◆ Foster a love for learning and a positive attitude toward life
- ◆ Develop cooperative, pro-social, responsible behaviors
- ◆ Demonstrate and encourage sound health, safety, and nutritional practices
- ◆ Support emerging literacy (speaking, listening, writing and reading)
- ◆ Enhance gross motor skills and coordination through physically active play and creative movement

We want our students to--

- ◆ Experience God's love and grace in the adults around them
- ◆ Learn Christian attitudes and behaviors from adult models
- ◆ Experience the church as safe and loving
- ◆ Develop trust in others
- ◆ Come to a fuller understanding of their immediate world
- ◆ Develop a sense of belonging
- ◆ Experience reasonable limits and high expectations
- ◆ Use all senses to learn through discovery and guided exploration
- ◆ Use and expand fine-motor skills
- ◆ Acquire problem-solving and logical thinking skills
- ◆ Use art and music to communicate
- ◆ Participate in and value make-believe play
- ◆ Pray short, simple prayers
- ◆ Hear and enjoy Bible stories
- ◆ Sing and talk about God and his son Jesus

PRESCHOOL BOARD OF DIRECTORS

The Preschool Board of Directors consists of church, parent, and teacher representatives nominated by the Cannon UMC Nominations Committee and those who serve on the Board by their participation in related Cannon ministries.

The preschool Board's duties include, but are not limited to:

- Approving and monitoring annual budget and expenditures
- Making, setting, and reviewing preschool policies and procedures
- Approving class structure, curriculum, and personnel policies with the Director of Preschool Ministries.
- Providing support for the Director, the staff, the students, and the Cannon community.

The Board meets three times during the regular school year and as needed during the summer. Board meetings start at 7 p.m. and are open to all Preschool parents, Preschool teachers and stakeholders; however, only Board members cast votes. Board member names and tentative board meeting dates are at the back of this handbook.

INSTRUCTIONAL STAFF

Our instructional staff is a team of professional, caring educators dedicated to the appropriate development of young children. The Cannon Preschool Staff have educational backgrounds and experience in early childhood that prepares them to provide successful learning activities for our students. All instructional staff members participate in a continuous program of in-service training to remain aware of the ever-changing needs of today's families and the findings of current research. Furthermore, all instructional staff members have current CPR and First Aid certification. Cannon Church Preschool is fortunate to have such a wonderful staff.

Our program currently is certified by the **North Georgia United Methodist Preschool Association**.

ENTRANCE REQUIREMENTS

Due to COVID-19: Cannon Preschool will be offering classes for 2's, 3's and 4's for the 2020-2021 school year. All classes attend M-TH and are here from 9-1.

A child must reach the required age by September 1st of the year they enroll to enter our ones, twos, threes, fours, and fives classes. **Children must be toilet trained to be in our Three, Four, and Five- year old classes.**

An application form which gives pertinent information about the child must be filed with the Director. A registration fee, photo fee, and an activity fee for our 3, 4 and 5 year old students is to be paid at the time the child is accepted for enrollment into the preschool. This fee is **non-refundable**. These fees pay for secondary insurance policies for our students, classroom supplies, instructional materials, and equipment needed to begin the year.

A state law requires a current immunization form (**DPH #3231 white Georgia State Form original**) for children upon enrollment. A Copy of a certified Birth Certificate is also required at the time of enrollment.

HOURS OF OPERATION

Due to COVID-19: Cannon Preschool will be offering classes for 2's, 3's and 4's for the 2020-2021 school year. All classes attend M-TH and are here from 9-1.

TUITION

Tuition is an annual expense. For your convenience, tuition may be paid monthly. If you choose to pay by the month, tuition is due and payable on the first day of each month from September through May. You may pay by check, cash, and credit card and online. **Please make checks payable to Cannon Church Preschool.** We have an online payment process. You will be provided a login ID and a temporary password to access your invoices for online payment. A **late fee of \$10.00** will be charged if payment is received after the tenth (10th) of each month.

There is no refund of tuition due to absence. In the case of an extended absence, tuition must be paid in full in order to hold your child's place in the class. We maintain a waiting list and count on a certain level of enrollment to take care of salaries and expenses.

It is expected that parents will honor the terms of 9-month enrollment. If a relocation or unforeseen circumstances make it necessary to dissolve the contract one month's written notice and tuition for the month is required. Please note: Not all months are equal in the number of school days, but tuition is divided into equal monthly payments. **Annual tuition rates are determined by the number of days annually not monthly.**

If you participate in an employee benefit plan that includes preschool tuition, please stop by the office to get any necessary forms signed.

If a check is returned, you will be responsible for bank charges, as applicable, as well as a **\$25.00** returned check fee from the preschool. Financial assistance is available on a very limited basis. Applications for financial assistance are available in the preschool office. Consult with the preschool office for current classes and current tuition prices.

ACTIVITY FEE and PHOTO FEE

**Due to COVID-19: Cannon Preschool will be off limits to visitors for the foreseeable future.
We will revisit this policy as the year progresses and notify families of any updates.**

Cannon Preschool proudly offers many activities and performers on site for our Three, Four, and Five year old classes. These events may include Donuts with Dad, Mother's Teas, the Pumpkin Patch, Puppet Shows, Story Tellers, Special Music Programs, a Petting Zoo, etc. There is an annual fee for all children in the Three, Four, and Five-year old classes, which is included in the Registration Fee. The photo fee, which is also part of the registration fee, is for photo development costs throughout the school year and photo books given to each child in our program at the end of the school year

HOME & SCHOOL COMMUNICATION

Our communication to you will be in the form of a monthly newsletter with a calendar of upcoming events, emails, and other notes as necessary. **Please communicate important messages in writing; verbal messages from children cannot be accepted.** If you need to get a message to a teacher or the Director after the school day has begun, call the preschool office at **678-501-6442**. Teachers may not be able to come to the phone during school hours, but calls will be returned within 24 hours. Calls to teacher's homes need to be limited to those messages that cannot wait until the next school day. The preschool office is open from 8:30am to 2:00pm. The school's voice mail 678-501-6442, is always available for messages. We make every effort to respond to you promptly. The interim director can be reached at sherryeb@cannonchurch.org or the interim assistant director at preschool@cannonchurch.org.

Due to COVID-19: Cannon Preschool will be offering Fall conferences via phone.
We will reevaluate "in person" Spring Conferences when the time arrives.

CONFERENCES with the teachers of Cannon Preschool's 3, 4 & 5 year old students will be held twice a year. Student's progress and school activities will be discussed at this time. This is also the time to discuss any areas of concern that you might have. **MONTHLY CALENDARS** will be sent home by the teachers to let you know when we have special studies, celebrations, or activities. Please look for papers to be sent home on Thursdays. A yearly calendar is given in the Open House packet at the beginning of the school year.

PARENT INVOLVEMENT

Due to COVID-19: Cannon Preschool will be off limits to visitors for the foreseeable future.
We will revisit this policy as the year progresses and notify families of any updates.
We will notify parents of ways in which they can help remotely.

Cannon Preschool will be more effective with enthusiastic parent participation and support. Parent involvement is crucial. Parents are invited to participate in a variety of activities that will enrich our program. Our preschool maintains an open-door policy in which parents are always welcome.

We encourage you to participate and become involved. You are invited to volunteer to work on special projects, assist with fundraisers, and share special interests and hobbies with the children. Participating as a parent will help you get to know other families, make new friends, and enrich the experiences of our children. Please share your time, talents, hobbies, and interests with us. Children need to see adults who are enthusiastic about learning and your modeling will be invaluable. Ask your teacher how to become involved.

PARENT ASSOCIATION

Due to COVID-19: Cannon Preschool will be off limits to visitors for the foreseeable future.
We will revisit this policy as the year progresses and notify families of any updates.

Our Parent Association is an organization that welcomes all parents of Cannon Preschool to become involved in a partnership between the parents of students and the preschool staff. You are automatically a member of our Parent Association by being a parent at Cannon Church Preschool. We would love for every family to become involved! Your ideas and your talents will help to make Cannon Preschool be the best possible learning environment for your child.

In the past, our Parent Association helped with:

- ◆ Scholastic Book Fair which makes it possible to fund books for literacy in our classrooms.
- ◆ The parents provided several delicious meals throughout the school year for our teachers and staff.

There will be several meetings throughout the school year. These meetings will be announced in the preschool newsletter.
We would love to have you join us!

HEALTH, SAFETY & EMERGENCY PROCEDURES

Please familiarize yourselves with our [COVID-19 Procedure Manual](#)

Cannon Preschool wants to maintain a healthy environment. We need to rely on you to follow these guidelines for the protection of the other children. Please do not send your child to school if he/she shows any signs of illness, such as a vomiting, “pink eye” (conjunctivitis), runny nose, red throat, extreme or continuous cough, skin rash, fever, or signs of any contagious diseases or extreme fatigue. A child with a fever of 100.4 degrees or higher will not be able to remain in the center or allowed to participate in the school day. **A child should be free of fever, without any fever reducing medication, for 24 hours before returning to school.** If any of these symptoms appear at school and a child has a fever, parents will be notified to pick them up. If a parent cannot be reached, we will call your emergency numbers. It is important that you keep these numbers updated and that you pick up a sick child immediately. Preschool staff does not administer medication. Please space the administration of medication, so that doses do not need to be administered during the preschool hours. This does not apply to medication needed for severe allergic reactions such as an EpiPen. A form must be completed by the parents as well as a physician action plan for a treatment course of action. Preschool administration will administer the EpiPen, call 911, and contact the parents immediately by phone. Transportation to the hospital for care is **Emory Eastside Hospital address: 1700 Medical Way Snellville, Ga 30078.**

A child may not attend nor be allowed to remain in the Center if the child has contagious illness or communicable disease and or any symptoms of (COVID-19).

Please see our COVID-19 Guidelines in our COVID-19 Procedure Manual.

Our Center will be following the CDC guidelines for safety and sanitation.

Outside play is part of our daily routine except in the case of extreme weather conditions. Before a child returns to preschool after an illness, parents should make sure he/she is able to participate in the entire program.

In case of an emergency such as **Fire, Severe Weather, Structural Damage or Lockdown causing the staff personnel and students to not be able to return into the building, the designated evacuation relocation is the Angel House address: 2424 Webb Gin House Road Snellville, GA 30078. Parents will be notified by phone call from the lead teacher to arrange pick up. (Please see campus map)**

NUT FREE ENVIRONMENT

We have children in our program who have severe, life-threatening allergies to nuts and nut products. With a severe allergy to nuts and nut products, exposure to even a minute amount (1/1000) could result in anaphylactic shock and, without immediate emergency medical assistance, loss of consciousness and death. We have worked with these students’ parents to establish emergency plans.

Please help us to minimize the risks for these students by:

- Speaking to your child about the importance of never sharing any food;
- Avoiding **obvious** nut products for snacks and lunch (i.e., peanut butter filled crackers, peanut butter and jelly, peanut butter cookies, Reese’s peanut butter cups, etc.);
- Checking the labels on products for **nut oil, nut derivatives, nut processed;**
- Giving teachers notice before bringing class treats to school so that alternatives can be available for allergic students, and
- Washing your child’s hands before they come to school in the morning.

We know that many children love peanut butter and that it may be difficult to think of alternatives. You will receive a sheet of alternatives to help with lunch and snack ideas. Safety is important at Cannon Church Preschool. Thank you for helping us to maintain a safe environment for all God’s children and as well as peace of mind for their parents.

LUNCH

**Due to COVID-19: We are asking that all lunches and snacks be brought in in disposable containers.
No lunch boxes will be sent back and forth from school.
We will revisit this policy as the year progresses and notify families of any changes.**

Parents of all students need to send in a lunch that is **nut-free**. It needs to include nutritional items like fresh fruit, dried fruit, cheese, or granola bars, every day. **Please label all food and disposable plastic bags or throw away containers with your child's name everyday. Students are not able to have ice packs as all items must be thrown away for the safety of the children.**

Please send a water bottle with your child each day.

FUNDRAISING

Our tuition covers staff salaries and fixed expenses, but we depend on fundraising for special projects, program improvement needs, and financial assistance. We strive to select fundraising projects that also serve our community. We partner with Dogwood's Pizza, Culver's and other local businesses for Spirit Nights throughout the school year.

PICTURES

Cannon Church Preschool provides the opportunity of having pictures taken of your child by a professional photographer. Beth Wrobel, our photographer, does an individual studio quality photograph in the fall, and class photo and individual photo in the spring. You will receive notification of package prices from the photographer prior to picture day.

ARRIVALS AND DEPARTURES

Due to COVID-19 Safety Guidelines: Temperature checks must be done upon arrival and health safety questions asked and recorded.

For morning arrivals, there will be no "Walking In" of students. All preschool children will be participating in carpool and must be dropped off at the Drop-Off Area. (Refer to the carpool map).

Unloading from the Drop-Off Zone will begin at approximately 8:55 AM. Carpool ends promptly at **9:10 AM**. Please have your child ready for school when the teachers come to your car; i.e. shoes on, masks on (3's & 4's), breakfast eaten, and lunch and water bottle nearby. If you arrive after **9:10 AM**, **please park and call the preschool office. We will come out to you to get your child and take their temperature before they enter the building.**

Please make your good-byes positive, upbeat, and brief! We have learned that children seem to adjust better when they leave the parent rather than the parent leaving them. If your child cries, assure him/her that you love them and will return for them soon. The preschool staff will do everything possible to comfort your child and help them adjust to their new surroundings. Normally the crying will stop within five minutes. If you are concerned about your child, ask the director or program administrator in the preschool office to check on your child or telephone us later for a report on how your child is doing.

Notify the preschool, in writing, of any changes in your authorized "pick up" list or of any other changes on your child's emergency form or "pick up" routine. A child will not be sent home with anyone except those authorized by the parent on forms kept in the child's file. A parent must leave a written message with the teacher to make any changes or additions on the "pick up" list. We require identification when someone other than a parent comes for pickup. If your child is going home with a friend, you must send a note or call the office. We cannot accept verbal messages from your child.

Dismissal begins at 12:55 PM. For afternoon carpool, follow the directions on the carpool map and place your number in the front windshield. For safety reasons **avoid using your cell phone in the preschool line**. The carpool moves at a pace that requires concentration. Carpool pick up may be slow the first few weeks of school, but as we get into the routine, it will

be more efficient. **You are considered late after 1:05 PM. There will be a 1,2,3 system of late notices and upon the third offense there will be a \$5.00 charge for every five minutes that you are late.**

Due to COVID-19, there are not be any scheduled “walk-in pickup dates” for the children on the calendar. Carpool is provided for safety and convenience. Please do not expect to have “conference time” with teachers during carpool while they have responsibilities for the safety of the remaining children.

Move forward to the parking area parking places to secure your children in car seats. Make sure that all children are securely fastened into their child seats or seat belts prior to departing. We are not allowed (because of liability issues) to fasten car seats or belts, and we are not allowed to put children in cars that do not have proper restraint systems. Upon departing Cannon’s campus, please observe the traffic signs and drive safely. We want you back tomorrow!

If you leave your child crying, and you feel anxious about it, ask a staff person in the preschool office to check on your child or telephone the office later for a report on how your child is doing.

CURRICULUM

Due to COVID-19 we have adjusted our curriculum to follow the Bright from the Start guidelines for COVID-19 safety as it pertains to the sharing of supplies and toys.

We are thrilled to provide the **Learning Without Tears** literacy, math and writing curriculum at Cannon Church Preschool. This program will help our students be ready for their continued education in elementary school and beyond!

Young children learn when they play. A good educator addresses the strengths of the whole child so that all areas of growth and development (social, emotional, physical, cognitive, and spiritual) are addressed. Developing a positive self-concept is extremely important. First, school experiences should be affirming and successful. We provide a safe, nurturing environment where adults facilitate children’s play with encouragement, time, space, and materials designed to help them explore ideas, make discoveries, and build on concepts already developed. ***How we know and how we learn are even more important than what we know and what we learn.***

The environment plays an essential role in each child’s learning. Our school provides child-centered environments. According to research in the field of child development, children need concrete objects and materials to play with, manipulate, and explore to be successful at more abstract mental tasks. In learning centers, children choose from a variety of activities. They engage in different types of play while practicing a variety of learning skills. Centers include dramatic play, blocks, science, writing, art, sensory play, table toys/manipulatives, and reading. During outside time, children are encouraged to engage in imaginative play, explore the environment, negotiate social relationships, and develop gross motor skills.

Activities during large and small group times rely on hands-on activities and investigations and seldom resemble traditional pencil and paper lessons. During these activities, children have the chance to classify, measure, group, sequence, sort, experience and explore objects, materials, and ideas.

During pretend play, children try on adult roles and grow more attuned to the specifics of each role while they socialize with each other. Music and movement activities are provided in the classroom and a special resource teacher spends time with classes each week.

CHAPEL

Christian values are taught when teachers share simple stories, pray with children, and celebrate holidays using art, music, literature, and crafts. Students will attend Chapel once a week led by our music teacher. Our goal is to familiarize children with Bible stories and experience the worship setting.

CUSTODY

If there is any concern regarding custody of a child, a copy of the court document verifying legal custody must be presented. We are required by law to release children to their legal guardians unless there is a current court order prohibiting that release. The preschool cannot be placed in a position of arbitrating a child's departure or a parent's visitation rights.

BEHAVIORS AND DISCIPLINE

We strive to offer a loving, fun, and safe learning environment for every child. We try to be positive about discipline and our interventions include, but are not limited to . . .

- Redirecting
- Planning ahead (often preventing problems)
- Encouraging appropriate behavior
- Developing and discussing clear and consistent rules
- Encouraging children to evaluate problems and generate reasonable solutions
- Accepting logical or natural consequences
- Time out (only as age appropriate and in an age appropriate fashion)
- Developing behavior intervention plans with parents

Under no conditions will children be subjected to harsh or physical punishment. Children will not be humiliated, threatened, shamed, frightened or subject to profane or abusive language.

If a child's behavior becomes so severe that it compromises the classroom environment for other children, we will seek to remedy the situation with the parent's cooperation. If solutions are not found, after exhausting all possibilities, we may work with parents to seek an alternative program.

BITING POLICY

Our policy for handling a biting incident is the following:

- The biter is immediately removed from the group with a firm NO. The bitten child is consoled, and the bitten area washed with soap and water. If necessary, ice is applied to reduce any swelling or bruising. The biter is removed from the situation and is talked to on a level that he/she can understand, then redirected.
- A written Accident Report is given to the parents of the bitten child and an incident report is given to the parents of the biter when they are picked up that day. The name of a biting child is not released because it serves no useful purpose and can make an already difficult situation more difficult.
- We look intensively at the context of each biting incident for pattern in an effort to prevent further biting behavior.
- We work with each biting child on resolving conflict or frustration in an appropriate manner.

Only after we feel we have made every effort to make the program work for the biting child, do we consider asking a family to withdraw the child.

BULLYING POLICY

Cannon Preschool is committed to providing a caring, friendly, and safe environment for all children that is free from bullying. Bullying is defined as the persistent physical, verbal, or emotional abuse of another child or children. It is often planned, and most bullies are aware of the impact of their actions. All alleged incidents of bullying will be taken seriously and investigated.

We aim to:

- Reassure the bullied child that they will be listened to and every effort will be made by the staff to help and support them
- Not label a child as a bully
- Establish facts surrounding the allegations
- Help a child that has been bullying to recognize and understand the implications of their actions
- Recognize that children who bully have often been bullied or are being bullied themselves
- Discuss with the parents/guardians of the child who has been bullying the situation and strategies for managing the behavior
- Discuss the situation with the parents/guardians of the child who has been bullied and offer reassurance that the situation is being dealt with
- Record all relevant details of an investigation of alleged bullying

Resources and activities will be used to develop a student's self-esteem and promote anti-bullying starting in preschool.

PERSONAL ITEMS

Due to COVID-19: We are asking that personal items (such as book bags and lunch boxes) not be brought into the school at this time. Notes/papers from school will be sent home with the students each Thursday. We will revisit this policy as the year progresses and notify families of any changes.

Each child needs a seasonably appropriate change of clothing here at school. (These items should be brought at Open House and left at the school until further notice.) We do messy things and accidents happen. Make sure the clothing still fits and is appropriate.

Certain supplies may be requested by the classroom teachers! Absolutely no guns, knives, or other weapons, real or pretend, will be allowed. Small pocket toys, candy, or gum are not acceptable! Keep jewelry and money, either play or real, at home for this can be distracting, easily lost, and dangerous in play.

DRESS

Children need to wear clothes that are practical, comfortable, and washable. Because of outdoor play, art and floor activities, there will be much wear on clothing. Children need to be comfortable with play and getting messy. Make sure your children are adequately dressed for outdoor play in all seasons. We recommend warm, layered clothing in the winter. Classes do go outside even when it is cold, if other conditions permit. **All clothing, lunch paper bags, jackets, sweaters etc. need to be clearly labeled with your child's name.**

Send your children in shoes that are safe and comfortable for play. We encourage all children to wear socks and tennis shoes. Refrain from sending them in **sandals, open-toe shoes, open-heel shoes, or cowboy boots.**

Two-year old's in diapers should bring a supply of disposable diapers for the month.

NONDISCRIMINATION

Cannon Church Preschool admits students of any race, color, national and ethnic origin to all rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis, of race, color, national and ethnic origin in administration of its educational policies, admissions policies, scholarship, loan programs, athletic and other school-administered programs. Our preschool is open to all children who will benefit from the program. A child must be at least two by September 1, 2020 to enter the program. We make every effort to accommodate children with special needs and challenges. If we are not adequately staffed to succeed in these efforts, we will work with the family to find a more appropriate alternative.

INSURANCE

The Preschool provides secondary insurance should an accident occur during preschool hours. A secondary policy means that you must first file with your personal insurance carrier and then submit an “EOB” to the school’s insurance carrier.

PROCEDURES FOR CONCERN

All concerns are to be directed through the following channels: First, parents should discuss concerns with the classroom teacher. If the concern is not resolved to the mutual satisfaction of the parent and teacher, then he/she should discuss the matter with the Preschool Director. If concerns persist, direct a written concern within 10 working days to the Cannon Church Associate Pastor overseeing preschool ministries and subsequently to the Preschool Board. Appropriate records and documentation should be kept by all parties on matters relating to the concern. The Associate Pastor and the Preschool Board Chair may appoint a subcommittee at their discretion to investigate and arbitrate the concern. Most problems result from miscommunication and can be resolved by talking to the teacher with or without the program administrator. We want your child to have a positive experience, and all staff members will work to make this happen. We are here because we are committed to the wellbeing of your child

Our Preschool is governed as a mandated reporter based on the **Safe Sanctuaries Policy of the United Methodist church regarding child abuse or neglect**. The purpose is to “provide protection of children whose health and welfare adversely affected and further threatened by the conduct of those responsible for their care and protection.” Safe Sanctuary policies are available in the Preschool office upon request.

CONFIDENTIALITY

ALL INFORMATION CONCERNING CHILDREN AND/OR FAMILIES WILL BE KEPT CONFIDENTIAL AND IS FOR PRESCHOOL STAFF AND TEACHER USE ONLY. Teachers refrain from disclosing the names of children involved in discipline incidents or accidents while sharing with parents. Please limit your questions to teachers and staff members. It is not appropriate to confront a parent who was not present when the incident occurs.

May 19	Preschool Graduation 11:30am (Depending on COVID-19)
May 20	Last Day of School

In the event of inclement weather during scheduled school periods, listen to your radio or television for school closings.
We will follow the school closing notices for Gwinnett County Schools; if they are closed, we will be closed as well.

If school openings are delayed, we will be closed due to our half day schedule. Please listen to WSB radio (750AM).
NOTE: Due to the arrangement of our classes we do not make up days that are missed for these closings.
